

MEMORANDUM CIRCULAR
NO. 12-12-93

**Subject: ALLOCATION OF FREQUENCY BAND 75.225 - 75.425 MHz
FOR LOW POWER RF SYSTEM**

-

Pursuant to Act No. 3846 as amended, the existing local and international radio laws and in order to address the requirements of Low Power RF System with a limited power of 50 milliwatt or less and an emission of F3 (FM), the frequency band of 75.225 - 75.425 Mhz is hereby allocated for the said service.

This circular shall take effect immediately and it supersedes any other circulars which are inconsistent herewith.

Done this 3rd day of December 1993, Quezon City, Philippines.

(SGD.) SIMEON L. KINTANAR
Commissioner
